# The Fear-Stress Circuit Gets Activated

# Subconscious Reaction Is... Fear Circuit Activation

1. Flight - You go do something else
2. Freeze - You Waste Time and Procrastinate
3. Fight - You try to power your way through it and fight yourself
4. Faint - You lose conscious power

**You take your foot off the gas and put your foot on the brakes!**

A person is silhouetted against a bright sunset sky, pushing a large, heavy rock. The person is crouching on the ground, leaning against the rock. The sky is filled with golden and orange clouds, transitioning to a blue sky with white clouds at the top. The rock is a large, dark, irregular shape that dominates the middle of the frame. The overall scene conveys a sense of struggle and effort.
